2022/4152/P	Sara Boas	09/11/2022 10:40:55	OBJNOT	This is a conservation area, in which the privacy, access to light, and wellbeing of many residents has already arguably been compromised by the granting of planning permission to a colloquium of owners on Fitzroy Road for the upward extension of numerous homes. The fact that another planning application requests metal framed windows is of no consequence. Metal framed windows are not in keeping with the character of this conservation area and should not be permitted.
