2022/4260/T	Louise Lewis	01/11/2022 14:14:53	COMMNT	<p>We object to the felling of two trees with no indication of any proposals for replacement.</p> <p>This estate is known for its verdant character. The removal of the juniper from the front will be detrimental to the character of the estate. We would prefer to see management by sensitive pruning. If that is not possible, we would like to see a replacement tree, with similar impact, planted.</p> <p>No reason is given to fell the holly though it does look somewhat aetiolated and could be better managed. The conditions or terms of buying a house on this estate, and the views of the residents association should be taken into account</p> <p>Louise Lewis Highgate Neighbourhood Forum</p>
