2022/4566/T	B A Abraham for the Belsize Society	31/10/2022 16:23:21	OBJ	For the Belsize Society: this is a mature 'characterful' tree, which has clearly been rather neglected in recent years and is covered with ivy. Nevertheless it has amenity value and should be preserved if possible. It is not clear that the tree is decayed or that there are grounds for felling it.
