The Greater London Archaeological Advisory Service (GLAAS) provides archaeological advice in accordance with the National Planning Policy Framework and GLAAS Charter.

Having considered the submitted document I confirm it accords with relevant standards and guidance and that it is in compliance with the condition.

The submitted written scheme of investigation for an archaeological evaluation (AECOM, Sept 2022, v3) has been reviewed and approved.

The start date when known should be communicated by the archaeological practice to this office. I will conduct monitoring visits on behalf of your office.

The archaeological condition will not be fully satisfied until all works are complete, including any post-excavation assessment/analysis leading to publication.

This response relates solely to archaeological issues.

Yours sincerely
