Dear Sir/Madam

DECISION

Town and Country Planning Acts 1990 (as amended)

NO OBJECTION TO SECTION 211 NOTICE OF WORKS TO TREE/S IN A CONSERVATION AREA

Address:

**33 Bedford Place
London
WC1B 5JU**

Proposed Work:

REAR GARDEN: 1 x Smooth Japanese Maple (Acer Palmatum) (T167) - Prune from adjacent structure to provide 1m - 2m clearance from building, lift lower branches to provide approx. 3m clearance above ground level. Final cuts to be <4cm diameter retaining furnishing growth to minimise visual impact.

The Council has considered your notification of intended works to trees dated 12 October 2022 and does not wish to object.

Informative(s):

- 1 This notice is valid for 2 years from the date of this letter or until the work is completed, whichever is the sooner.
- 2 You are advised that the appropriate standards for tree work are set out in BS 3998: 2010. Failure to ensure that the proposed works are carried out to these standards may result in damage to the tree(s) and may result in legal action by the Council.
- 3 Please note that any approval given by the Council does not give an exemption from the requirements to comply with the Wildlife and Countryside Act 1981 (as

amended), or any other Acts offering protection to wildlife. Of particular note is the protection offered to bats, birds and their nests from construction works. For further information contact Natural England on 0300 060 4911 or www.naturalengland.org.uk.

Yours faithfully

A handwritten signature in black ink, appearing to read 'DPope', is positioned above the printed name and title.

Daniel Pope
Chief Planning Officer

It is important to us to find out what our customers think about the service we provide. To help us in this respect, we would be very grateful if you could take a few moments to complete our online survey at the following website address: www.camden.gov.uk/dmfeedback. We will use the information you give us to help improve our services.
