Good morning,

As parents of a child being treated with cancer at Great Ormond Street Hospital, we would like to state that we support GOSH's application (ref 2022/2255/P) for a new Children's Cancer Centre. It is really important that GOSH is able to develop and modernise its facilities so it can continue to provide high quality cancer services, in the very best environment, allowing for innovation and research to take place easily. Having such a development at GOSH in Bloomsbury, is very important for patients from across the region, so they can easily access this highly specialised complex care and treatment.

Kind regards,
Mr and Mrs Noto
