Alexandra and Ainsworth estate NW8

Comments on application by “Shak” organisation to have several signs put up on the Alexandra Road estate.

Yes to the sign on the actual youth club roof.

Yes to the pole sign.

Yes to sign on Edgeworth House.

Yes to sign on Besant house.

NO to a sign on the triangular wall of the youth club.

NO to the sign on the wall next to this.

These two signs would be very intrusive as you walk into the estate (which is grade two star listed) and are our homes so needs respect.

I feel these two signs would also be very vulnerable to graffiti which we need to discourage.
