Dear Sir/Madam

## **DECISION**

Town and Country Planning Act 1990 (as amended)

### **Householder Application Granted**

Address:

**11 Frognal Way  
London  
NW3 6XE**

Proposal:

Erection of replacement single storey rear extension.

Drawing Nos: Site Location Plan FW3/A100, A101, A103, A104, B101, B103, B104, B301, B302, A201, A202, A203, B201, B202, B203, A301, A302. Design and Access Statement (May 2022 Catherine Lee Architecture and Interiors). Heritage Statement (July 2022 Catherine Lee Architecture and Interiors).

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 The development hereby permitted shall be carried out in accordance with the

following approved plans: Site Location Plan FW3/A100, A101, A103, A104, B101, B103, B104, B301, B302, A201, A202, A203, B201, B202, B203, A301, A302. Design and Access Statement (May 2022 Catherine Lee Architecture and Interiors). Heritage Statement (July 2022 Catherine Lee Architecture and Interiors).

Reason: For the avoidance of doubt and in the interest of proper planning.

- 3 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policies D1 and D2 of the London Borough of Camden Local Plan 2017.

Informative(s):

- 1 Reasons for granting permission:

The proposed replacement single storey rear extension is considered acceptable in terms of footprint, scale, height, design and materials. There are no proposed alterations to the front elevation, and no proposed changes will be visible from the public realm.

The proposed replacement L-shaped extension shall occupy a similar footprint to the existing arrangement of rear wing and conservatory, albeit with an increase in floor area to the west of approximately 6m<sup>2</sup>. There will be a more regular and consistent roofline replacing the mixture of flat and pitched roofs of different heights. The new extension shall be brick built with timber framed fenestration to match the host property. Two rooflights are also proposed. The existing array of rear extensions have little architectural or historic merit and the proposed replacement extension will enhance the host building by providing a more uniform appearance. There will be no harm to the character and appearance of the host building or conservation area.

Special regard has been attached to the desirability of preserving the setting of adjoining listed buildings, under s.66 of the Listed Buildings and Conservation Areas Act 1990 as amended by the Enterprise and Regulatory Reform Act 2013.

Special attention has been paid to the desirability of preserving and enhancing the character and appearance of the conservation area, under s.72 of the Planning (Listed Building and Conservation Areas) Act 1990 as amended by the Enterprise and Regulatory Reform Act 2013.

Given the nature of the proposal, it is not considered to have any negative impact on neighbouring residential amenity in terms of loss of privacy, outlook or light.

No objections were received prior to the determination of this application. The

planning history of the site and surrounding area were taken into account when coming to this decision.

Therefore, the proposed development is in general accordance with policies A1, D1 and D2 of the London Borough of Camden Local Plan 2017 and policies DH1 and DH2 of the Hampstead Neighbourhood Plan 2018. The development also accords with the London Plan 2021 and the National Planning Policy Framework 2021.

- 2 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts that cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Judd St, Kings Cross, London NW1 2QS (tel: 020-7974 6941).
- 3 This approval does not authorise the use of the public highway. Any requirement to use the public highway, such as for hoardings, temporary road closures and suspension of parking bays, will be subject to approval of relevant licence from the Council's Streetworks Authorisations & Compliance Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No 020 7974 4444). Licences and authorisations need to be sought in advance of proposed works. Where development is subject to a Construction Management Plan (through a requirement in a S106 agreement), no licence or authorisation will be granted until the Construction Management Plan is approved by the Council.
- 4 All works should be conducted in accordance with the Camden Minimum Requirements - a copy is available on the Council's website (search for 'Camden Minimum Requirements' at [www.camden.gov.uk](http://www.camden.gov.uk)) or contact the Council's Noise and Licensing Enforcement Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No. 020 7974 4444)

Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You must secure the approval of the Council's Noise and Licensing Enforcement Team prior to undertaking such activities outside these hours.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2021.
