Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans

Site Location Plan, 02.1, 04.1, 05.1, 06.1, 08.1, 09.1, 10.1

Reason: For the avoidance of doubt and in the interest of proper planning.

- 3 Prior to the commencement of any works on site, details demonstrating how trees to be retained shall be protected during construction work shall be submitted to and approved by the local planning authority in writing. Such details shall follow guidelines and standards set out in BS5837:2012 "Trees in Relation to Construction". All trees on the site, or parts of trees growing from adjoining sites, unless shown on the permitted drawings as being removed, shall be retained and protected from damage in accordance with the approved protection details.

Reason: To ensure that the development will not have an adverse effect on existing trees and in order to maintain the character and amenity of the area in accordance with the requirements of policies A2 and A3 of the London Borough of Camden Local Plan 2017.

- 4 Prior to the commencement of construction/demolition works on site, tree protection measures shall be installed in accordance with the approved Arboricultural Method Statement and Tree Protection Plan. The protection shall then remain in place for the duration of works on site and recommendations made in the method statement followed, unless otherwise agreed in writing by the local authority.

Reason: In order to protect the residential amenities of neighbouring occupiers and prevent substandard living accommodation and excessive on-street parking pressure in accordance with policies A1, H6 and T2 of the London Borough of Camden Local Plan 2017

- 6 The green roof in the area indicated on the approved roof plan shall be fully provided and maintained in accordance with the details hereby approved prior to first use of the building.

Reason: In order to ensure the development undertakes reasonable measures to take account of biodiversity and the water environment in accordance with policies CC1, CC2, CC3 and A3 of the London Borough of Camden Local Plan 2017
