Dear Sir

**Planning application for 12 & 13 Primrose Hill Studios 2022/3694/P and 2022/4547/L**

As an experienced commentator on planning proposals in Camden I am writing to support the planning application at 12 & 13 Primrose Hill Studios.

The design shows sensitivity to the surroundings and shows great care in its approach to the Grade II listed fabric of the buildings.

The owners are to be commended in their approach to community consultation on the project.

Yours sincerely

Max Neufeld
