2022/4013/P	Webley	23/11/2022 11:14:13	COMMNT	There has been a constant change of use in the area. The valuable sites for local trades and artisans have disappeared. Panther House is a relevant example. I think local trades should be encouraged in an attempt to have local trades in the area and to avoid excess traffic. Any further demolition is detrimental to the health, particularly to pupils at the nearby school. These new amendments to the planning, will promote seasonal lets and ABandB.
