Dear Matt,

Many thanks for notifying us about the changes (and for attaching drawings for ease of reference). These are considered to be an improvement and I can confirm that we are happy to withdraw our objection on the basis of the revised scheme.

Thank you for your efforts with this.

kind regards

Further to my previous e-mail. I can advise the applicant has revised their proposals. Revised plans are available online, however I have also attached them here for your attention.

Please let me know if you have any further comments on this scheme, or any other queries? Thank you.

Kind regards,

Matt
