

Appendix C – Suggested conditions

1. No advertisement is to be displayed without the permission of the owner of the site or any other person with an interest in the site entitled to grant permission.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

2. No advertisement shall be sited or displayed so as to (a) endanger persons using any highway, railway, waterway, dock, harbour or aerodrome (civil or military); (b) obscure, or hinder the ready interpretation of any traffic sign, railway signal or aid to navigation by water or air; or (c) hinder the operation of any device used for the purpose of security or surveillance or for measuring the speed of any vehicle

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

3. Any advertisement displayed and any site used for the display of advertisements, shall be maintained in a condition that does not impair the visual amenity of the site.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

4. Any structure or hoarding erected or used principally for the purpose of displaying advertisements shall be maintained in a safe condition.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

5. Where an advertisement is required under these Regulations to be removed, the site shall be left in a condition that does not endanger the public or impair visual amenity.

Reason: - As required by regulation 2(1) and Schedule 2 of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007.

6. The advertisement display shall be statically illuminated and the intensity of the illumination of the digital sign shall not exceed 2500 candelas per square metre during the day and 250 candelas per square metre during the hours of darkness in line with the maximum permitted recommended luminance as set out by 'The Institute of Lighting Professional's 'Professional Lighting Guide 05: The Brightness of Illuminated Advertisements' 2015. The levels of luminance

on the digital sign should be controlled by light sensors to measure the ambient brightness and dimmers to control the lighting output to within these limits.

Reason: To ensure that the advertisement does not harm the character and appearance of the streetscene and does not create a distraction to pedestrian or vehicular traffic and therefore cause a hazard to highway safety. In accordance with the requirements of policy A1, D1, D2, D4 and T1 of the Camden Local Plan 2017 and Transport for London Guidance for Digital Roadside Advertising 2013.

7. The digital sign shall not display any moving, or apparently moving, images (including animation, flashing, scrolling three dimensional, intermittent or video elements).

Reason: To ensure that the advertisement does not harm the character and appearance of the streetscene and does not create a distraction to pedestrian or vehicular traffic and therefore cause a hazard to highway safety. In accordance with the requirements of policies D4 and T1 of the Camden Local Plan 2017 and Transport for London Guidance for Digital Roadside Advertising 2013.

8. The minimum display time for each advertisement shall be 10 seconds.

Reason: To ensure that the advertisement does not harm the character and appearance of the streetscene and does not create a distraction to pedestrian or vehicular traffic and therefore cause a hazard to highway safety. In accordance with the requirements of policies D4 and T1 of the Camden Local Plan 2017 and Transport for London Guidance for Digital Roadside Advertising 2013.

9. The interval between advertisements shall take place over a period no greater than one second; the complete screen shall change with no visual effects (including fading, swiping or other animated transition methods) between displays and the display will include a mechanism to freeze the image in the event of a malfunction.

Reason: To ensure that the advertisement does not harm the character and appearance of the streetscene and does not create a distraction to pedestrian or vehicular traffic and therefore cause a hazard to highway safety. In accordance with the requirements of policies D4 and T1 of the Camden Local Plan 2017 and Transport for London Guidance for Digital Roadside Advertising 2013.

10. No advertisement displayed shall resemble traffic signs, as defined in section 64 of the Road Traffic Regulation Act 1984.

Reason: To ensure that the advertisement does not harm the character and appearance of the streetscene and does not create a distraction to pedestrian or vehicular traffic and therefore cause a hazard to highway safety. In accordance with the requirements of policies D4 and T1 of the Camden Local Plan 2017 and Transport for London Guidance for Digital Roadside Advertising 2013.

11. No music or sound shall be emitted from the advertisements.

Reason: To ensure that the advertisement does not harm the character and appearance of the streetscene and does not create a distraction to pedestrian or vehicular traffic and therefore cause a hazard to highway safety. In accordance with the requirements of policies A1 and A4 of the Camden Local Plan 2017 and Transport for London Guidance for Digital Roadside Advertising 2013.

12. The footway and carriageway on the Transport for London Road Network (TLRN) and Strategic Road Network (SRN) must not be blocked during the installation and maintenance of the advertising panel. Temporary obstruction during the installation must be kept to a minimum and should not encroach on the clear space needed to provide safe passage for pedestrians or obstruct the flow of traffic.

Reason: To ensure that the advertisement does not harm the character and appearance of the streetscene and does not create a distraction to pedestrian or vehicular traffic and therefore cause a hazard to highway safety. In accordance with the requirements of policies D4 and T1 of the Camden Local Plan 2017 and Transport for London Guidance for Digital Roadside Advertising 2013.
