2022/5180/T	S. Nix	29/11/2022 10:29:54	OBJ	I do not think 'The trees have a poor form and habit, due to being smothered in ivy for years' is a valid reason for felling them. Why wasn't proper tree management carried out in the past to manage the 'smothering ivy'? I certainly think another solution would be feasible and obviously better than just felling the trees. I hope Camden does the right thing and refuses this application as unnecessary felling of yet more trees in this area is not beneficial to anyone or anything.
