NOTES
 • Dimensions govern.
 • All dimensions are given in millimetres (mm) unless otherwise noted.
 • All dimensions shall be verified on site before proceeding with the work contractor before construction and fabrication commences.
 • Workmanship and materials to be accordance with the relevant current British Standard Codes of Practice and the Local Authorities requirements.
 • During construction the contractor shall be responsible for maintaining the structure in a stable condition.
 • These drawings are to be read in conjunction with all other contract documentation and other consultants documentation.
 • If in doubt, ask!
