## Description of the Proposal

Please note in regard to:

- **Fire Statements** - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. [View government planning guidance on fire statements](#) or [access the fire statement template and guidance](#).
- **Permission In Principle** - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- **Public Service Infrastructure** - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or [view government planning guidance on determination periods](#).

### Description

Please describe details of the proposed development or works including details of proposals to alter, extend or demolish the listed building(s)

Part of Euston Town BID's wider regeneration proposals for the Drummond Street neighbourhood, funded through HS2's Business and Local Economy Fund. Shopfront improvements to selected properties seek to directly support existing businesses on the high street, and typically include refurbishment and redecoration of building facades at ground level, removal of inappropriate fixtures and external shutters where feasible, new fascia signage with modest integrated illuminations, and replacement of existing awnings where feasible.

Has the development or work already been started without consent?

- ☐ Yes  
☒ No
