Dear Camden Planning,

I just wanted to email regarding Planning application no 2022/4000/P address 13 Grafton Crescent, London NW1 8SL

Myself and my husband live at 7a Healey Street, backing onto Grafton Crescent

We would like to express our support of these works - this is a family of five who would inevitably benefit from extending their property

We do not feel that the work will negatively impact on any of the properties on Healey Street backing onto it, and think works like this that support families to stay in the area and maintain a sense of community are really valuable and important

Best wishes,

Dr Clio Kennedy
