2022/5172/T	Jenny White	01/12/2022 11:28:40	OBJ	<p>This objection is on behalf of the Netherhall Neighbourhood Association (NNA).</p> <p>Five trees (T2-T6) are referred to in the application form but T6 is not identified by name and is not shown in the sketch. It is clearly important that this information is provided to ensure proper scrutiny of the proposal. The applicant should be requested to identify the type of tree, depict its location and explain why it needs to be felled to ground level.</p> <p>It is also not clear why the trees are referred to as T2 to T6 - is there no T1?</p>
