Dear Mr Greenhalgh

Re: 139-147 Camden Road, NW1 9HJ Application No: 2022/4293/P

We wish to object strongly to this proposal for a new tall structure on Camden Road. The bulk and style of the building is inappropriate for the position next to Cantelowes Gardens and skateboard park. It would cast a shadow over the wildlife garden area which is an important local amenity and which has been established by local people to encourage biodiversity in our area. Its bulk and style will be an ugly encroachment on the edge of the Gardens and will be an eyesore for the many people for whom is an important and valued local green space.

Yours sincerely

Danny Nissim and Maureen Parry
