2022/3694/P	Colleen Harvey	01/12/2022 13:31:14	NBJNOT	<p>I am supportive of the current planning application.</p> <ul style="list-style-type: none">+The building is derelict and needs to be repaired.+The project will create more livable residential space.+I am aware of the construction concerns. The builders should be considerate and communicate with all neighbours.+The facade proposed in the current application seems to be more in line with the original building than the planning application that was already approved.+In my opinion, this project will improve Primrose Hill Studios, Kingstown Street and Primrose Hill more broadly. <p>I support the application.</p>
