2022/4483/P	Mina Smith	06/12/2022 14:59:18	OBJ	The raised ground floor flat (with share of the freehold) is currently on the market. It is quite frankly dishonest to apply for such development when the new soon to be freeholder might not have agreed to this and will have to deal with the disturbance and consequences. Also the proposal seems inadequate for the area. See previous comments on last application.
