1.1 Overview
 The map displays the various planning policies zones within the London Borough of Camden. The zones are color-coded to indicate their specific planning designations and objectives. The map includes labels for major roads (A1, A10, etc.), green spaces, and residential areas.

1.2 Policy Zones
 The map identifies several key policy zones, including the Hampstead Green Belt, the Camden Town Conservation Area, and the Finsbury Park Green Belt. Each zone is defined by specific planning parameters and is subject to different development controls.

1.3 Road Network
 The map shows the extensive road network of Camden, including major roads like the A1 and A10, and numerous residential streets. Road labels are provided for clarity and navigation.

1.4 Green Spaces
 The map highlights various green spaces, including parks and open areas, which are protected under specific planning policies. These include Hampstead Heath, Finsbury Park, and several smaller local green spaces.

1.5 Residential Areas
 The map delineates different residential planning zones, such as the Camden Town Conservation Area and the Finsbury Park Conservation Area. These areas are characterized by their historic architecture and unique urban fabric.
