2022/3622/P	Gail Murray	08/12/2022 17:12:01	INT	<p>The units are right outside our bedroom window and cause loss of sleep Every night. A neighbour has had the noise level checked and the Result was a massive 104.</p> <p>Neighbours as far away as Queen square are complaining about the Level of disturbance caused by these units</p> <p>If you look at reviews for the hotel, you will see that the management Supply earplugs for their guests!!!!!!</p>
