2022/4829/L	Bhavik Pankhania	09/12/2022 09:02:06	INT	The property lies within the Hampstead Conservation Area and is the last remaining intact example of the Grade II listed row of terraced houses between Nos: 14 to 26 Perrins Lane. The proposed A frame wall that joins onto the boundary wall will rise 69cm above the height of the boundary wall. The proposed application would undermine the existing wholeness of the listing. There is a proposed change to the kitchen wall which too will alter and affect the existing listing.
