Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Variation or Removal of Condition(s) Granted

Address:
Salmon Mews
Flat 6
West End Lane
London
Camden
NW6 1RH

Proposal: Variation of condition 2 (approved plans) of planning permission 2022/2522/P, dated 07/09/2022 (for: conversion of an existing garage into a habitable room, in association with the flat above and external alterations to the flat situated directly above), namely to relocate the west facing window at first floor to the south facing elevation

Drawing Nos: Drawing Nos: 2111_PL_001, Rev A; 2111_01_005; 2201_PL_100, Rev B; 2201_PL_120, Rev B; 2201_PL_200, Rev B; 2201_PL_300, Rev B; 2201_PL_310, Rev D.

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of the original permission, reference 2022/2522/P, dated 07/09/2022.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 For the purposes of this decision, condition no. 2 of planning permission 2022/2522/P shall be replaced with the following condition:

REPLACEMENT CONDITION 2

The development hereby permitted shall be carried out in accordance with the following approved plans 2111_PL_001, Rev A; 2111_01_005; 2201_PL_100, Rev B; 2201_PL_120, Rev B; 2201_PL_200, Rev B; 2201_PL_300, Rev B; 2201_PL_310, Rev D.

Reason: For the avoidance of doubt and in the interest of proper planning.

- 3 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy D1 [and D2 if in CA] of the London Borough of Camden Local Plan 2017.

Informative(s):

- 1 Reasons for granting permission:

The addition of a window on the southern elevation to match the existing would not have a harmful impact on the appearance of the building. The window has been relocated from the western elevation, creating better sunlight opportunities into the building.

There would be no impact on neighbouring residential amenity nor on the character and appearance of the host building and conservation area.

The full impact of the scheme has already been assessed.

No objections were received and the planning history of the site has been taken into account when coming to this decision.

Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the conservation area, under s.72 of the Listed Buildings and Conservation Areas Act 1990 as amended by the Enterprise and Regulatory Reform Act 2013.

As such, the proposed development is in general accordance with policies A1, D1, D2 and T2 of the Camden Local Plan 2017. The proposed development also accords with the London Plan 2021 and the National Planning Policy Framework 2021.

- 2 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts that cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Judd St, Kings Cross, London NW1 2QS (tel: 020-7974 6941).
- 3 This approval does not authorise the use of the public highway. Any requirement to use the public highway, such as for hoardings, temporary road closures and suspension of parking bays, will be subject to approval of relevant licence from the Council's Streetworks Authorisations & Compliance Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No 020 7974 4444). Licences and authorisations need to be sought in advance of proposed works. Where development is subject to a Construction Management Plan (through a requirement in a S106 agreement), no licence or authorisation will be granted until the Construction Management Plan is approved by the Council.
- 4 All works should be conducted in accordance with the Camden Minimum Requirements - a copy is available on the Council's website (search for 'Camden Minimum Requirements' at www.camden.gov.uk) or contact the Council's Noise and Licensing Enforcement Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No. 020 7974 4444)

Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You must secure the approval of the Council's Noise and Licensing Enforcement Team prior to undertaking such activities outside these hours.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2021.
