2022/5194/L	Natalie Davidson	12/12/2022 17:15:37	COMMNT	The house would benefit from a paint and add to the aesthetic of the neighbourhood. I am in support of the application
2022/5194/L	Christoffer Sellin	12/12/2022 16:47:06	COMMNT	Hi We live in 18 Provost Road and see no issues with 3 Eton Villas being painted.
2022/5194/L	Samantha Kirkwood	12/12/2022 17:14:23	COMMNT	I fully support this application as a provost road resident. The fact that this house isn't painted but simply rendered makes it look out of keeping with the houses surrounding it and it was surely the intention of the original constructors for all the houses to be painted.
2022/5194/L	SD Tucker	12/12/2022 16:36:05	SUPPRT	Resident of 3 Provost Road here - the painted houses in our neighbourhood make it charming, lovely, special, photogenic and less dismal than so many London grey cement or brown brick buildings. The houses on Eton Villas are architecturally equivalent to those on Provost Road, and are visible from front and rear to pedestrians. I urge you to allow 3 Eton Villas to be painted to be part of our colourfu, special I neighbourhood.
2022/5194/L	Laurence Page	12/12/2022 17:20:27	SUPPRT	The beauty of the houses in Eton Villas and Provost Road is established through the distinctive colour personality applied onto the rhythm of houses with similar (but not identical) front elevations. Save for 3EV, all the semi-detached properties have long since been painted, and may well always have been painted. The currently unpainted render on 3EV is an outlier in this regard. The nature of render is that it requires patch repairs over time and thus loses uniformity of finish. I therefore strongly support this application, which looks to align the property with the remainder of the street. If and to the extent that the planning department is concerned about a single property on the street continuing to have unpainted render, 20 Provost Road remains in that state.
2022/5194/L	Hannah Billington	12/12/2022 16:31:38	COMMNT	I am strongly in favour of the applicants for permission to paint 3 Eton Villas to be allowed to do so, it would be in keeping with the area and help to maintain the fabric of the property. I very much hope you will give permission for them to paint their house.

2022/5194/L	Nadia Crandall	12/12/2022 13:30:02	COMMNT	I fully support the application to paint the exterior of the house at 3 Eton Villas. It would align the property much more closely to its neighbours in a very pretty early Victorian enclave.

2022/5194/L	Anna & Chris Holdsworth	12/12/2022 17:33:46	COMMNT	As the only unpainted house in this row, we think there would be huge benefit for the general street appearance from painting no 3 Eton Villas and wholeheartedly support this application.
