2022/5442/T	Nix	13/12/2022 17:07:37	COMMNT	The pictures supplied do not give a very good representation of the supposed problems. Are reasons like 'poorly located' (T1) or 'has grown unmanaged' (T5) really justifiable for felling a tree? Has any thought been given to planting replacements? Has a tree specialist been consulted about the trees re felling or other solutions? The reasons for felling the trees listed should be investigated and further clarified I think.
