

RARE

RESTAURANTS

- GENERAL NOTES**
1. All finishes are to conform to the required current Building Codes & Regulations in the applicable country.
 2. The Contractor must supply all site dimensions, drawings, details and specifications and report any discrepancies to Rare Restaurants before proceeding with any work.
 3. All required drawings showing layout and construction details are required to be approved by Rare Restaurants prior to commencement of work.
 4. All specified items are to be installed in accordance with the manufacturer's recommendations on a suitable substrate.
 5. The Contractor is to provide a safe and suitable working environment. All work must conform to the current Health and Safety and Local Authority regulations.
 7. All finishes are to be implemented to a high quality.
 8. Any dimensions are to be taken from the setting out. Plan only and are not to be scaled from the drawings.
 9. It is the contractor's responsibility to ensure that any building regulations are met and to obtain all necessary permissions from the Local Authority.
 10. The contractor is to check and approve all design and construction details and other alternatives as appropriate, to implement the design.
 11. In the event that there is a conflict in information, the Contractor is to highlight the discrepancies to the designer/Contract Administrator.
 12. This drawing is to read in conjunction with the other relevant drawings, specifications, schedules and co-ordinating information.
