2022/4190/P	Jude Ackland-Patel	14/12/2022 22:37:59	COMMNT	I object to this application.
2022/4190/P	Mariana	15/12/2022 08:53:54	OBJ	I strongly object to these proposals. They would be intrusive, particularly in a conservation area, visually unpleasant and disproportionate to the building (the height from our roof to the top of the appliances is more than one third of our entire dwellings).
