2022/5387/P	Jonathan Byatt	14/12/2022 11:37:58	OBJ	Objection. Addition of a dormer or 'attic flat' may be in sympathy with existing street frontage. However an additional floor breaks the existing height levels and creates a stand out property which breaks the sequence of the protected 'row' on this street. Approval will lead to higher building requests in due course and start to slowly obscure the sight lines from Hampstead Heath.
