Dear Sirs

1 Museum Street Revisions.

OBJECTION

planning reference 2021/2954/P

Petition attached from Goldsmith Court. Stukeley Street WC2B 5LF

We the undersigned **object** to the revised proposals for the redevelopment of the ex-Travelodge Hotel and to the treatment of the buildings within the conservation area that form part of the revised scheme. We object because the proposed speculative office tower is **far to tall and bulky** and is very out of character and damaging to the Covent Garden and Bloomsbury Conservation Areas and to all the neighbouring listed buildings. We object to the **extent of demolition proposed** for the buildings within the Conservation Area in West Central St and Museum Street which is against Council policy. We object because of the **unsustainable development** approach that seeks to pull down a structurally sound building and then construct with more steel and concrete an even taller inappropriate building rather than adapting the existing. The proposal will increase CO2 emissions speeding global warming and we object because of the total lack of any **public open space** in the proposal again contrary to Council policy.
