2022/5354/P	CRASH	16/12/2022 11:13:53	OBJ	<p>CRASH (Combined Residents Associations of South Hampstead) would like to object to aspects of this application.</p> <p>Specifically - the frontage proposed at street level (new door and replacement for garage doors) is completely out of keeping with the rest of the mews and is inappropriate to the conservation area and the mews. Also the application draws on the design of the roof light windows to the front of the mews in the new infill building in the corner of the mews. These roof lights to the front are not characteristic of this stretch of the mews and should be resisted.</p>
