[EXTERNAL EMAIL] Beware – This email originated outside Camden Council and may be malicious. Please take extra care with any links, attachments, requests to take action or for you to verify your password etc. Please note there have been reports of emails purporting to be about Covid 19 being used as cover for scams so extra vigilance is required.

Application No: 2022/4942/P

Site address: 34-38 Eversholt Street London Camden NW1 1DA

Proposal: Change of use of the existing nightclub located at ground and basement levels to provide a public house to include the replacement of the existing shopfront, the installation of plant equipment, and the provision of an external customer seating area

Thank you for your consultation.

I can confirm that London Underground/DLR Infrastructure Protection has no comment to make on this planning application as submitted.

However your proposal may affect Crossrail. Please contact them directly to query what affect, if any, the proposals will have on the railway.

This response is made as LU/DLR Railway Infrastructure Manager under the "Town and Country Planning (Development Management Procedure) Order 2015". It therefore relates only to railway engineering and safety matters. Other parts of TfL may have other comments in line with their own statutory responsibilities.

Kind regards,

Tom Li
