To whom it may concern,

I write this email to OBJECT to the exclusion of the below areas from the required Environmental Impact Assessment for Planning Application 2022/5281/P:

- Geo-environmental;
- Water resources, drainage and flood risk;
- Light pollution;
- Project vulnerability;
- Transport and access;
- Waste and materials.

This project is highly irresponsible and should not receive the required planning.

Best,

Joseph Lebus, Kentish Town Resident
