------------------------	-------------------------	------------------	-----------------	------------------

2022/4190/P	Doone Forsyth	21/12/2022 13:52:50	OBJ	Hello there,
-------------	---------------	---------------------	-----	--------------

I am a resident of Crestview and strongly object to this planning application.

We have a young family living potentially beneath these masts and are concerned at the proximity and strength of them to our home and child.
