Good afternoon,

I apologise for the late objection due to some travelling to visit my family. I missed your deadline, sorry

and would like to strongly object to how late they would like to continue have the tables outside with this application

People are getting drunk and we can hear the pub's customer late at night and screaming at times (!) and understand that other neighbours are severely affected. The pub has 0 control and the impact is severe on residents

The following end times outside of
Thursday 08:00 to 23:00
Friday - Saturday 08:00 to 23:30
Sunday 08:00 to 22:30

are not acceptable and need to be reduced. The pub has proven in the last year not to be able to regulate noise and such late hours should not be allowed in a area with so many residents.

I would ask you for the maximum time to be brought to 10 pm and then the customers to be invited go inside (and the table removed). Table outside until 23.30 / 23.00 with unruly drunk customer should not be allowed.

Please protect your local residents, this is your duty and we are counting on you.

Thank you for your consideration

Kind regards
Erwan
