## Grounds for Application

### Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

Planning permission was granted for a change of use of Unit 1 to flexible A1/A3/D2 on 25th July 2017 (reference 2017/2702/P). The building was then subsequently occupied as a gym (Urban Fitness) and remains in this use. For full planning history and justification see covering letter.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Planning permission 2017/2702/P. For further details, see covering letter.

Select the use class that relates to the existing or last use.

**Please note that following changes to Use Classes on 1 September 2020:** The list includes the now revoked Use Classes A1-5, B1, and D1-2 that should not be used in most cases. Also, the list does not include the newly introduced Use Classes E and F1-2. To provide details in relation to these or any 'Sui Generis' use, select 'Other' and specify the use where prompted. See help for more details on Use Classes.

### Information about the proposed use(s)

Other (please specify)

Class E - office

Is the proposed operation or use

- Permanent  
 Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

A change of use was permitted in July 2017 to allow occupation by the gym. Since then, wholesale amendments have been made to the Use Classes Order 1987 (as amended) to subsume both gym (D2) and office (B1) use into the new Class E. There are no conditions on the permission which allowed the change of use (2017/2702/P) or on subsequent permissions that would prevent a change within Use Class E. For further details, see covering letter.
