Dear Council Planning Team,

I am writing this letter in support of the application put forward by Labtech to redevelop the markets West Yard and East Vaults, to bring new life to the area.

Having been a trader in the market over the past ten years I have witnessed so many improvements and a growth in footfall, so cannot think of any reason not to support this scheme. The biggest and most exciting offering from the scheme for me is the proposed opening of the Dead Dog Basin, along with the wheel!

I cannot express how great this would be not only for our business and our fellow traders, but also for Camden itself, as one of London's biggest and best key destination places.

Best Regards
