Good morning Kate,

**Application No:** 2022/1680/HS2

**Site address:** Adelaide Road Headhouse and Compound, Adelaide Road, Chalk Farm, London, NW3 3QB

**Proposal:** Application for approval under Schedule 17 of High Speed Rail (London - West Midlands) Act 2017 relating to vent shaft headhouse building, comprising three principle connected headhouse elements (mechanical and electrical plant building, fan room and ventilation stacks) and associated stairwells; road vehicle parking within the compound with a hardstanding area; earthworks within the compound area to facilitate the construction of the headhouse building in addition to retaining walls to the east of the building; fencing (location only) encircling the permanent HS2 site to create a secure compound; and artificial lighting equipment affixed to the headhouse building and within the compound

Thank you for your consultation.

I can confirm that London Underground/DLR Infrastructure Protection has no comment to make on this planning application as submitted.

However your proposal is adjacent to Network Rail. Please contact them directly to query what affect, if any, the proposal will have on the railway.

*This response is made as LU/DLR Railway Infrastructure Manager under the "Town and Country Planning (Development Management Procedure) Order 2015". It therefore relates only to railway engineering and safety matters. Other parts of TfL may have other comments in line with their own statutory responsibilities*

Kind regards,

**Tom Li**
