Description of the Proposal

Please note in regard to:

- Fire Statements From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. View government planning guidance on fire statements or access the fire statement template and guidance.
- Permission In Principle If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- Public Service Infrastructure From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or view government planning guidance on determination periods.
