2022/5408/P	Andrew Stewart	08/01/2023 12:13:26	COMMENT	<p>Hi there,</p> <p>I'd like to object to the application on the basis it will force the closure of a valuable local amenity and business, one I'm told is profitable and pays its taxes, and provides cooked tasty food for locals, many of whom are not so able to cook for themselves i.e. the vulnerable and elderly. It would remove the livelihood of hardworking owners and workers.</p> <p>There is no shortage of long vacant commercial premises ideal for a change of use to housing and perhaps the council could point this developer elsewhere.</p> <p>Many thanks</p>
2022/5408/P	Robyn Parry	08/01/2023 14:17:24	OBJ	<p>I oppose the application because it is removing a valuable community facility and is contrary to current council policy and not in the interest of the community.</p> <p>The business and people who own it are well known with the community and are highly rated. The service they provide for the food industry as well as people (within this day and age who cannot afford to buy produce or heat their own homes) this business is highly convenient and somewhat life-changing. Camden is highly populated with residential homes already and is not a vital necessity within the area. It would be massive shame to lose a lovely, local family run business.</p>
2022/5408/P	Scarlett Mannish	06/01/2023 15:57:39	OBJ	<p>I restate my objection from 17/7/22 of the previous iteration of this planning request (2022/2236/P) namely that it would not serve the community to have another residential block squeezed into this space and that the eviction of the long-serving family business currently at the site is callous and short-sighted.</p>
2022/5408/P	Colin Perry	07/01/2023 13:58:41	OBJ	<p>All the ground floors of the properties fronting York Way from the Agar Grove traffic lights all the way down to Kings Cross are in commercial use as noise and fumes from the busy road make the ground floors an unsuitable location for ground floor residential use.</p> <p>The proposed change of use of the ground floor to residential will create an unacceptable precedent for both Camden and Islington Councils in this area.</p> <p>It appears that yet again Islington Council have not been consulted on this proposal when the decision will have a direct future impact on future applications on their side of York Way.</p> <p>Kindly add Islington Council to the consultees and allow further time for comments.</p>
2022/5408/P	Carol Parry	08/01/2023 13:58:07	OBJ	<p>I oppose the application of the above plan because it is removing a valuable facility to the local community. It is contrary to current council planning policy and it certainly will not benefit the community and the economy. The fish shop has been around for many years and the people who run the shop are well known to lots of families within the area and are a vital form of social interaction with all who use this business. They look after vulnerable families and individuals who may need support with eating at this very challenging times within the whole of the country.</p> <p>We do not need any more homes within this area as there is a large housing estate around the corner and homes opposite and up along York Way.</p> <p>It would be a very great shame to lose this very popular, caring and hardworking establishment.</p>

2022/5408/P	Laurence	07/01/2023 09:53:19	OBJ	This fish and chip shop that is currently here will be closed down to make way for this conversion. It is a family business that will tragically come to an end to facilitate yet another private dwelling. I ask that you reject this application and save this family business.
2022/5408/P	Sophie carapetian	08/01/2023 16:52:32	OBJ	I would like to register my opposition to the closure of the fish bar. I would like to see the fish bar stay open i have been using it for 18 years.
2022/5408/P	W. Noble	06/01/2023 11:53:18	COMMENT	This family run chip shop has been a valued part of the community for a long time. I've used it regularly for the 10 years I've been here. It would be a disgrace to turn this place into flats
2022/5408/P	James Parry	08/01/2023 14:08:10	OBJ	I oppose the application because it is removing a valuable community facility and is contrary to current council planning policy and not in the interest of the community. It would stop vulnerable people being able to access a local take away shop which might be the only communication with other people they get.
2022/5408/P	Sian Parry	08/01/2023 14:03:03	OBJ	I oppose the application because it is removing a valuable community facility and is contrary council planning and not in the interest of the community. It would be such a shame to lose such a great business.
2022/5408/P	maelle jordan	08/01/2023 17:19:51	COMMENT	Please do not grant permission. This York Way Fish bar is a family run business run by lovely family who help the community. I see them give free food to poor people. ridiculous to have a 3 bed unit there. There is no equivalent to this fast food shop anywhere close by. This would be a terrible decision. PLEASE DO NOT GRANT. Seems every time I make comments on this site you ignore people's opinion. Makes me wonder if there is something else going on. You should listen to your community more
2022/5408/P	Syra Sowc	07/01/2023 08:43:12	OBJ	The fish & chip shop provides a valuable service to the locals - it's affordable (unlike many of the high end shops springing up in the area) and a part of the community fabric. My understanding is that it has been a commercial outlet since Victorian times and it certainly has been since I moved here in 1980.
2022/5408/P	Christopher Day	07/01/2023 12:22:20	COMMENT	This shop is a valuable, local, inexpensive and small business that shouldn't be evicted for a change of use. There is no justification to reduce long standing viable businesses in this way.
2022/5408/P	Clare Halsted	08/01/2023 12:31:51	OBJ	I object to this application for change of use. This restaurant is much-valued by my family and useful to the community for in-house and takeaway meals. Commercial units should not be granted a change to accommodation if it means evicting an existing business that works hard to provide a good service.

2022/5408/P	Dawn	08/01/2023 08:47:31	COMMENT	<p>Taking away a good fish and chip shop for housing. Is utterly unfair. A family that works hard and depends on its loyal customers. Should be ashamed. I for one am not backing the decision. Leave well alone. Maiden lane has been made larger not so long ago add to that. Dont take A families livelihood away.</p>
2022/5408/P	Sharon Wild	07/01/2023 23:26:53	OBJ	<p>I object - I support the Fish Bar as it is, there is already too much non-affordable properties in this area, we need to support local businesses</p>
2022/5408/P	Martin Fisher	08/01/2023 13:25:07	OBJ	<p>Beautiful fish and chip shop, great family business and local focal point. To abolish it reduces the sense of community. It's places like this and people like this that provide opportunities for community interaction, conversations and friends to meet. They combat the epidemic of loneliness, and comrade toe was something we learned was so important since the pandemic began in 2020.</p>
2022/5408/P	MICHELLE POOLE	08/01/2023 23:32:56	OBJ	<p>Over 600 people signed a petition to keep the premise as a business, please do not dismiss this, the fish and chip shop has been here for all the 30+ years I have resided in this area and is a thriving and popular shop, there are no other fish and chip shops within walking distance for many people The shop serves the many people from the residential streets and estates close by and fits beautifully into our communities The plans for further residential homes in this area is absurd! we have already had our skyline impaired by the towers in the sky on York Way which have housed more people than I care to know about, this area does not have the facilities to cater for the expanding population and now someone wants to add to that and take away our treasured Chippy.</p>
