demolition works are to be carefully carried out and any undocumented defects in existing works are to be immediately reported to OMMX when discovered. Do not proceed with any affected work until a response has been received

This drawing is to be read in conjunction with all other contract documents and specifications and all other consultants drawings. All levels and dimensions should be checked on site and any discrepancies notified to OMM× prior to proceeding with works. No drawing should be reproduced in any form without prior written permission from OMM×.
