Bartholomew Estate and kentish Town CAAC object to the side wall window , on the grounds that this is a large window and there are no other large windows in side walls in the run of houses . originally many had small windows , some of which are still there. This makes the larger style window , which will be seen from the street out of keeping with the side walls in the street . A small window to match the size of the other small window would be acceptable .

Celia Goreham on behalf of Bartholomew Estate and kentish Town CAAC
