This includes issues related to parking and to noise disturbance.</p> <ul style="list-style-type: none">- Parking is already an issue in the area and this will add to the problem.- What are the proposed trading times? This should be limited to prevent noise disturbance in the evening/nights to local residents.- Garbage bags are left at the corner near a street pole. The proposed extension adjacent to that corner would make it difficult for pedestrians - especially those that have child buggies, are disabled or blind - to negotiate that area.
