2021/6234/P	David Hauner	12/01/2023 15:48:23	OBJ	<p>I regret that I have to formally object to this proposal for the following reasons:</p> <ol style="list-style-type: none">1) over-development and destruction of the existing ensemble between the gardens of Glenloch and Glenmore Rd which is a rare green oasis: if one such extension is approved, others will follow, and in the end this precious green space between the two roads will be significantly reduced;2) infringement on our views from the garden: rather than into the sky and trees, we would look at a wall;3) infringement on our right of light, both in the conservatory and in the garden;4) light pollution from the large proposed roof light. <p>In sum, these are not just irritations but potentially a significant reduction of the potential value of our property against which we would have to consider legal action if it proceeds.</p>
