2022/4325/P	THE HEATH & HAMPSTEAD SOCIETY	16/01/2023 16:30:08	OBJ	<p>OBJECTION From: THE HEATH & HAMPSTEAD SOCIETY</p> <p>We object to this overlarge extension.</p> <p>1. In particular the second floor rear extension which amounts to a large flat roofed box (nothing like a dormer) totally unsympathetic to the existing houses - and having very large windows of a commercial scale which will allow views over the adjoining gardens with a consequent loss of privacy. This could be replaced with a small dormer with windows similar to the surrounding houses.</p> <p>2. It is totally unnecessary to remove the 3 adjacent trees.</p> <p>3. The front parking space is unfortunate and detracts from the Conservation Area. Could approval be based on an agreement to replace the garden as it once was be to improve the Conservation Area?</p> <p>Please reject this application as it stands.</p>
