

QUIZ BOXING

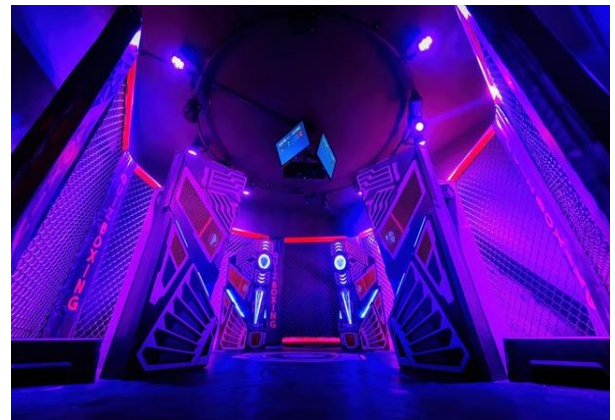

OPERATIONAL MANAGEMENT PLAN

GAME CONCEPT

Quiz Boxing is a 60-minute TV-style quiz game experience for anyone 12 years old and above. The targeted audience is family and friends and work colleagues looking for team building activity.

The players answer to questions on different themes for one hour, in a "fighting" sound-proofed arena.

It's a mind quiz game and no physical contact is permitted; please note that there is no physical fight during a Quiz Boxing game session; the word "Boxing" is used only because of the settings that looks like a "fighting" arena.

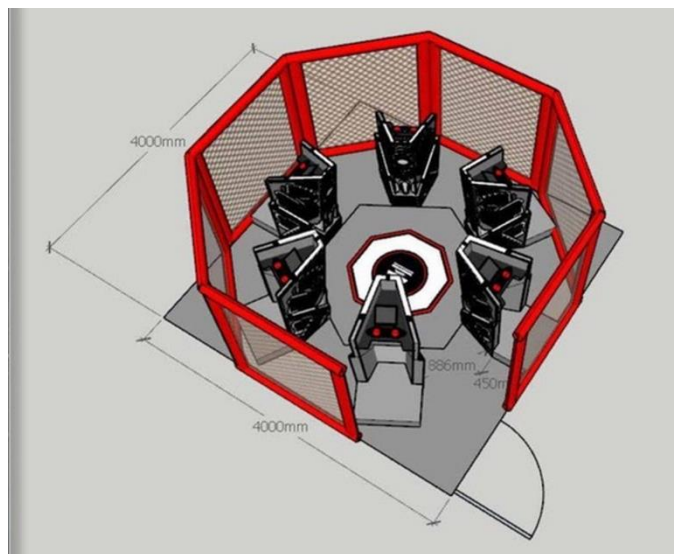

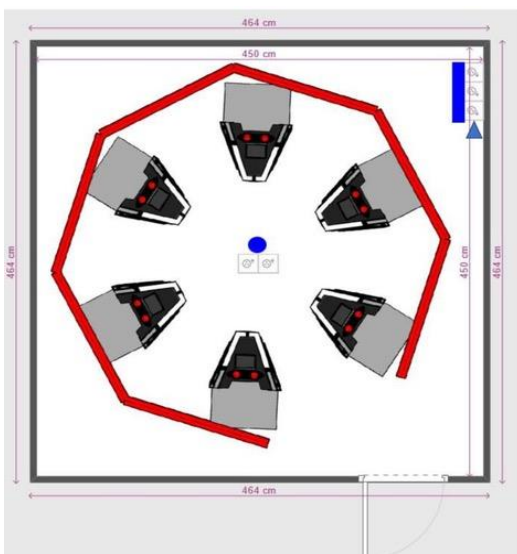

GAME SETTINGS:

Each player has an individual game station allowing them to select their answers to the many different questions, spanning over 60 minutes. Numerous jokers are available to win points by trickery.

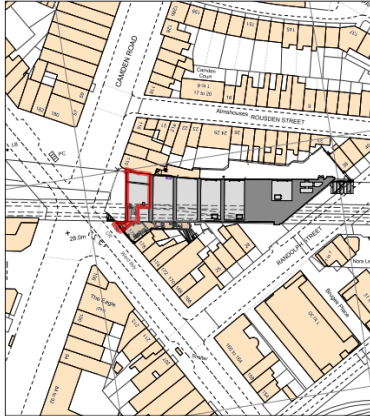

The minimum number of players per TV quiz game room is 4 and the maximum is 12; each quiz game room has 6 game stations, so you can play solo or in pairs.

We will install 3 quiz game rooms at the location, so we will be able to accommodate 36 players maximum at the same time.

All game rooms will be sound proofed for the comfort of the players so they can't hear the players playing in the other rooms, or the trains passing by above; it will also prevent the neighbours for any noise nuisance.

All customers will be informed by email and on site to respect the quiet enjoyment of the neighbours, when they arrive and leave the venue.

The ventilation and air conditioning unit will be installed inside and not outside to prevent the neighbours for any noise nuisance.
