2023/0201/T	Janine Griffis	17/01/2023 11:58:03	OBJ	<p>The Hampstead Neighbourhood Forum objects to the removal of a T1 tree, a hornbeam as contrary to NE2 of the Hampstead Neighbourhood Plan. Trees do cause shade, which can be invaluable in a warming climate, and provide great amenity, help mitigate climate change and are hugely important to biodiversity.</p> <p>The Hampstead Neighbourhood Plan states that robust justification is needed to show that the loss of a tree would be justified by public interest.</p>
