MERCURE HOTEL  
APPLICATION FOR AIR CONDITIONING PLANT  
REF: 2022/3622/P

I am writing to object to the planning application seeking to gain retrospective permission for the installation of numerous large air conditioning plant units at roof level on the Mercure Hotel.

I gather that these have been subject to enforcement complaints.

The level of noise generation and disturbance to nearby residents appears to be intolerable, and an alternative solution needs to be found whereby the noise emission is very substantially reduced.

Such roof-top plant sets a dangerous precedent for other such installations and threatens the environmental well-being of the neighbourhood.

Thank you

Alec Forshaw
