Dear Ms Muthoora

**Planning Application reference 2021/6074/P
34 Meadowbank, London NW3 3AY**

I have previously objected to the above Application.

I refer to the letter from Richard Max & Co Solicitors sent to you on behalf of the Management Company of the Meadowbank Estate.

I am in full agreement with the issues raised in this letter and kindly request that the Council takes these concerns into consideration, particularly as the planned project will negatively impact the other residents of Meadowbank.

No 34 has no vehicular access. The prolonged duration of the construction and the consequential disruptions to my and my neighbours' daily lives as a result of noise pollution, restricted access to our houses and restricted access to the road by delivery and emergency vehicles will disrupt our daily lives.

Additionally, the close proximity of the planned waste removal site to my home office will negatively impact my and my wife's ability to work from home for an unreasonable period of time.

Yours sincerely

Rael Berelowitz
